ELECTION WORKER TRAINING

NOVEMBER 2026 GENERAL & SPECIAL ELECTION

Revised 10/05/2026

EL PASO COUNTY ELECTIONS DEPARTMENT

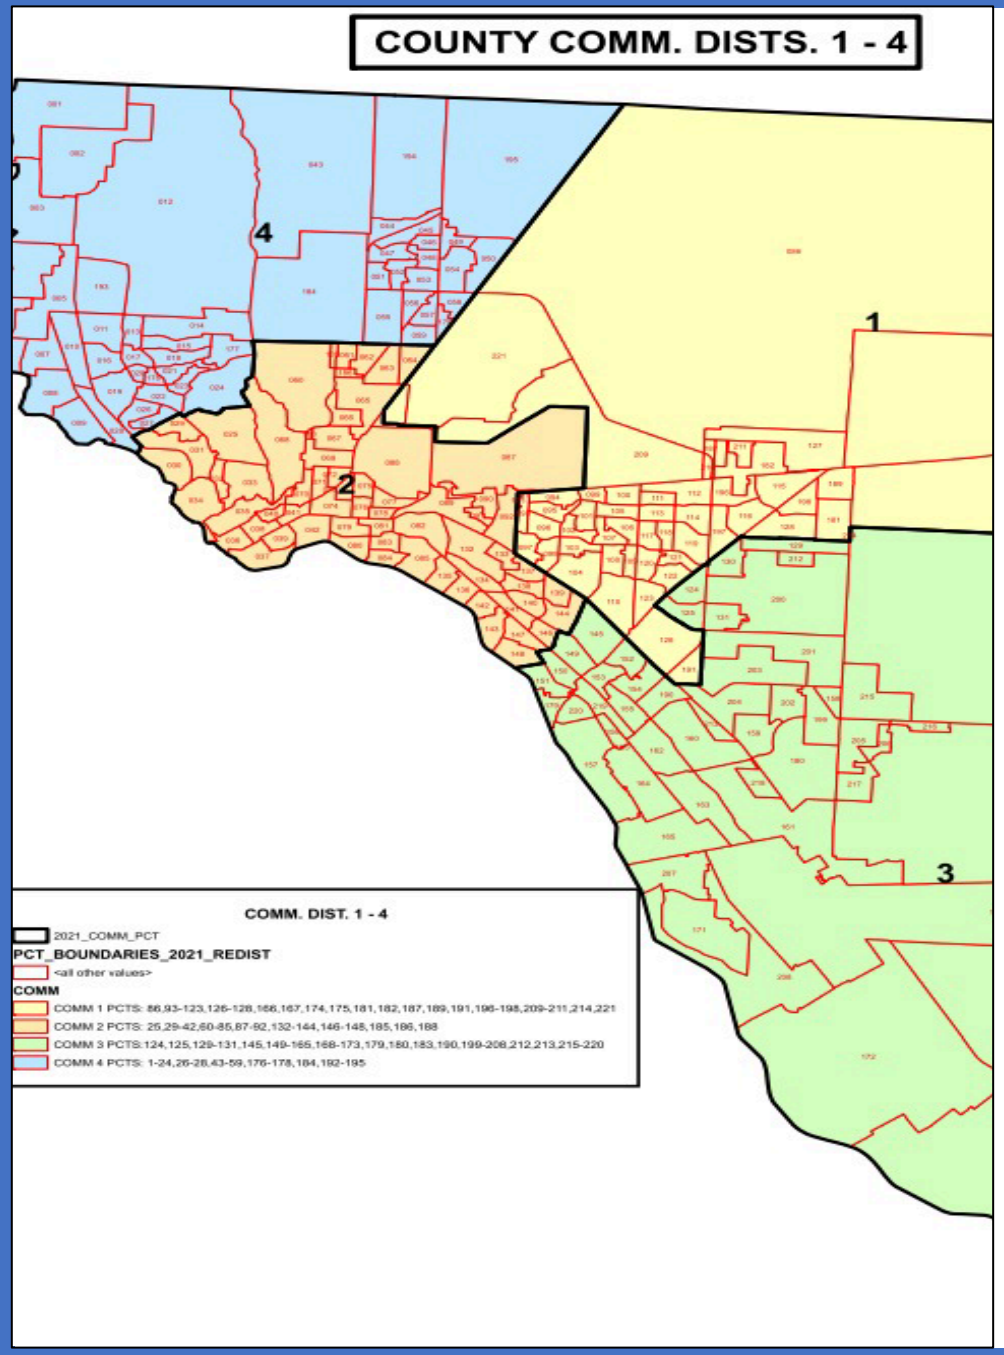

Mission Statement

- Our continuous mission to the community is to impart excellent voter registration and election services with the highest level of professionalism, accuracy, efficiency and integrity.
- Our department has the responsibility of conducting Federal, State, and County elections. Our department oversees elections for School Districts, Municipalities, Hospital District Bonds, County Elections, including bonds, and Water Districts and other political subdivisions that contract with El Paso County for election services.

COLLABORATION IS ESSENTIAL

- Our duty is to carry out the many tasks required to ensure the county's eligible voters have full access to the voting process and can cast a secure and confidential ballot.
- It takes hundreds of civic-minded citizens to conduct an election in our county, and Election Workers play an essential part of our mission.
- We are providing a public service to citizens of the county, and we must **all work together** to carry out our duties as prescribed by law.
- Your service is greatly appreciated, and we look forward to working alongside you all for many years to come.

EL PASO COUNTY COMMISSIONER PRECINCT MAP

- El Paso County uses the Countywide Polling Place Program (Texas Election Code, Section 43.007).
- Which means all registered voters of El Paso County may choose to vote at any voting location across the county.
- This applies for both Early Voting as well as Election Day.
- Total of **39** Countywide Early Voting Locations

TYPES OF ELECTIONS DEFINED

GENERAL	• An election, other than a Primary Election, that regularly occurs at fixed dates (Texas Election Code, 1.005).
SPECIAL	• An election that is not General or Primary Election (Texas Election Code, 1.005(18)). An example of a Special Election would be an election to fill a vacancy in the state legislature.
UNIFORM	• Uniform Election dates means an election date prescribed by Texas Election Code, 41.001.
RUNOFF	• An election that occurs when one candidate does not receive enough votes to be elected in an election that requires a majority vote (Texas Election Code, 2.021).
PRIMARY	• An election held by a political party to select its nominees for public office including a Presidential Primary Election in advance of a General Election (Texas Election Code, 1.005(14)).

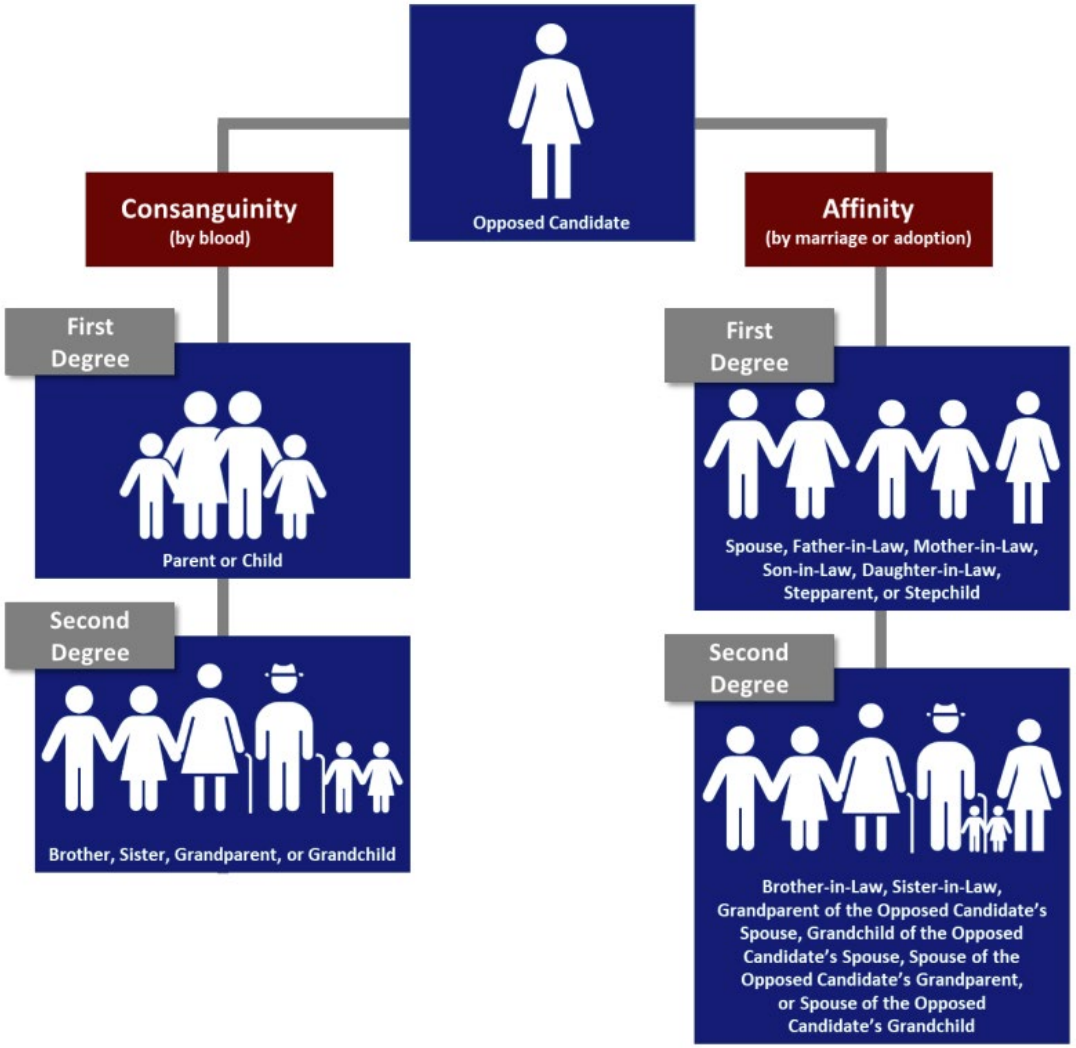

ELECTION WORKERS

- The term “Election Worker” refers to both Judges and Clerks. Election Workers carry out all procedures at the Early Voting Location, ensuring all eligible voters who show up at a voting site can vote. Election Workers are required to always wear name-identifying badges inside the voting site. These badges must include the Election Worker’s name and title or position (Texas Election Code, Section 61.010(b)). This ensures voters can identify who to seek for help.
- There are two types of Judges in the Early Voting Location, an **Early Voting Judge** and an **Alternate Judge**. **Both Judges must collaborate to oversee the election processes in their assigned Early Voting Location**.

ELECTION WORKERS (CONTINUED)

- The **Early Voting Judge** is responsible for the management and conduct of the election at the Early Voting Location where the Judge serves. All Clerks and the Alternate Judge report to and take direction from the Early Voting Judge.
- The **Alternate Judge** serves as backup for the Early Voting Judge. If the Early Voting Judge is out or must leave for any amount of time, the Alternate Judge shall serve in their absence (Texas Election Code, Section 32.001(b)). The Alternate Judge should be informed and prepared to step into this role, if needed.
- **Clerks** perform a wide variety of duties in the Early Voting Location. All Clerks must learn to perform all job functions as situations may arise that require Clerks to change roles.
- All **Election Workers** are expected to follow Federal and State laws related to the conduct of elections. Election Workers are considered County of El Paso employees, and the County has the right to set policies and procedures that workers must follow.

NEPOTISM

A person who is related within the second degree by consanguinity (blood) or affinity (marriage) to an opposed candidate for a public or party office is ineligible to serve in any precinct in which the office appears on the ballot. (See table).

Additionally, an Election Judge/Clerk cannot be a relative of an elected official of the authority that appoints the Election Judges (i.e., Commissioners Court).

However, an Election Clerk can be a relative of an Election Judge (Section 573.061 Government Code).

NOTICE OF VOTING ORDER PRIORITY FOR VOTERS WITH CERTAIN DISABILITIES

Pursuant to Section 63.0015, Texas Election Code:

An election officer shall give voting order priority to individuals with a mobility problem that substantially impairs the person's ability to move around.

- A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority.
- Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device.

The presiding election judge shall bring the voter and the voter's assistant, if applicable, forward to the front of the line.

AVISO de PRIORIDAD de ORDEN de VOTACIÓN PARA VOTANTES CON CIERTAS DISCAPACIDADES

De conformidad con la Sección 63.0015, Código Electoral de Texas:

Un oficial de elecciones debe dar prioridad de orden de votación a individuos con un problema de movilidad que dificulta sustancialmente la capacidad de la persona para moverse.

- Una persona que asiste a un individuo con un problema de movilidad también puede, a petición del individuo, ser dado prioridad en el orden de votación.
- Discapacidades y condiciones que pueden calificarle para prioridad de orden de votación incluyen parálisis, enfermedad pulmonar, el uso de oxigeno portátil, deficiencia cardiaca, limitación severa en la habilidad para caminar debido a condiciones artríticas, neurológicas u ortopédicas, confinamiento de silla de ruedas, artritis, trastorno de pie, la incapacidad para caminar 200 pies sin parar para descansar, o el uso de una abrazadera, bastón, muleta u otro dispositivo de ayuda.
- Votantes que desean recibir prioridad de orden de votación, y ser aceptados para votar antes que otros en la fila para votar en el lugar de votación, pueden indicar esto a cualquier funcionario de elecciones que prestan servicios en el lugar de votación. El juez presidente de elecciones debe llevar al votante y el asistente del votante, si es aplicable, adelante al frente de la línea.

VOTERS WITH DISABILITIES

- General guidelines:
  - **Be respectful**. Use common sense. Voters with disabilities want to be treated the same way as everyone else. Show them the same respect you would give every other voter.
  - **Just ask**. Don’t be afraid to help, but don’t automatically give assistance unless the person has requested it or consented.
  - **Communicate with the voter**. Some voters with disabilities may have an Assistant, Interpreter, or friend with them. Always look and speak directly to the voter, not to their companion.

ASSISTING A VISUALLY IMPAIRED VOTER

- Become familiar with the ADA keypad and headphones that come with every Express Vote machine
- Hand the keypad correctly to the voter and place it in his/her hand.
- Learn to use exact language. Avoid saying, “up here," down there,” “over here,” “the green button." Instead say, “on the upper right of the keypad,” “the round center button,” “the arrow to the left of the round center button."
- Before reaching out to touch a voter ask permission. "May I touch your hand?" "Do you want to hold my arm so I can guide you?" "Would you like to place your hand on my shoulder so you can follow me?" Keep in mind that although some visually impaired voters use a white cane, some still have a little bit of useful vision, so they may not have to be led to the voting machine.
- Speak directly to the voter even though he/she may have a companion with them. Use a normal tone. They are not deaf, only blind. They do not appreciate having their voting choices announced for all to hear.

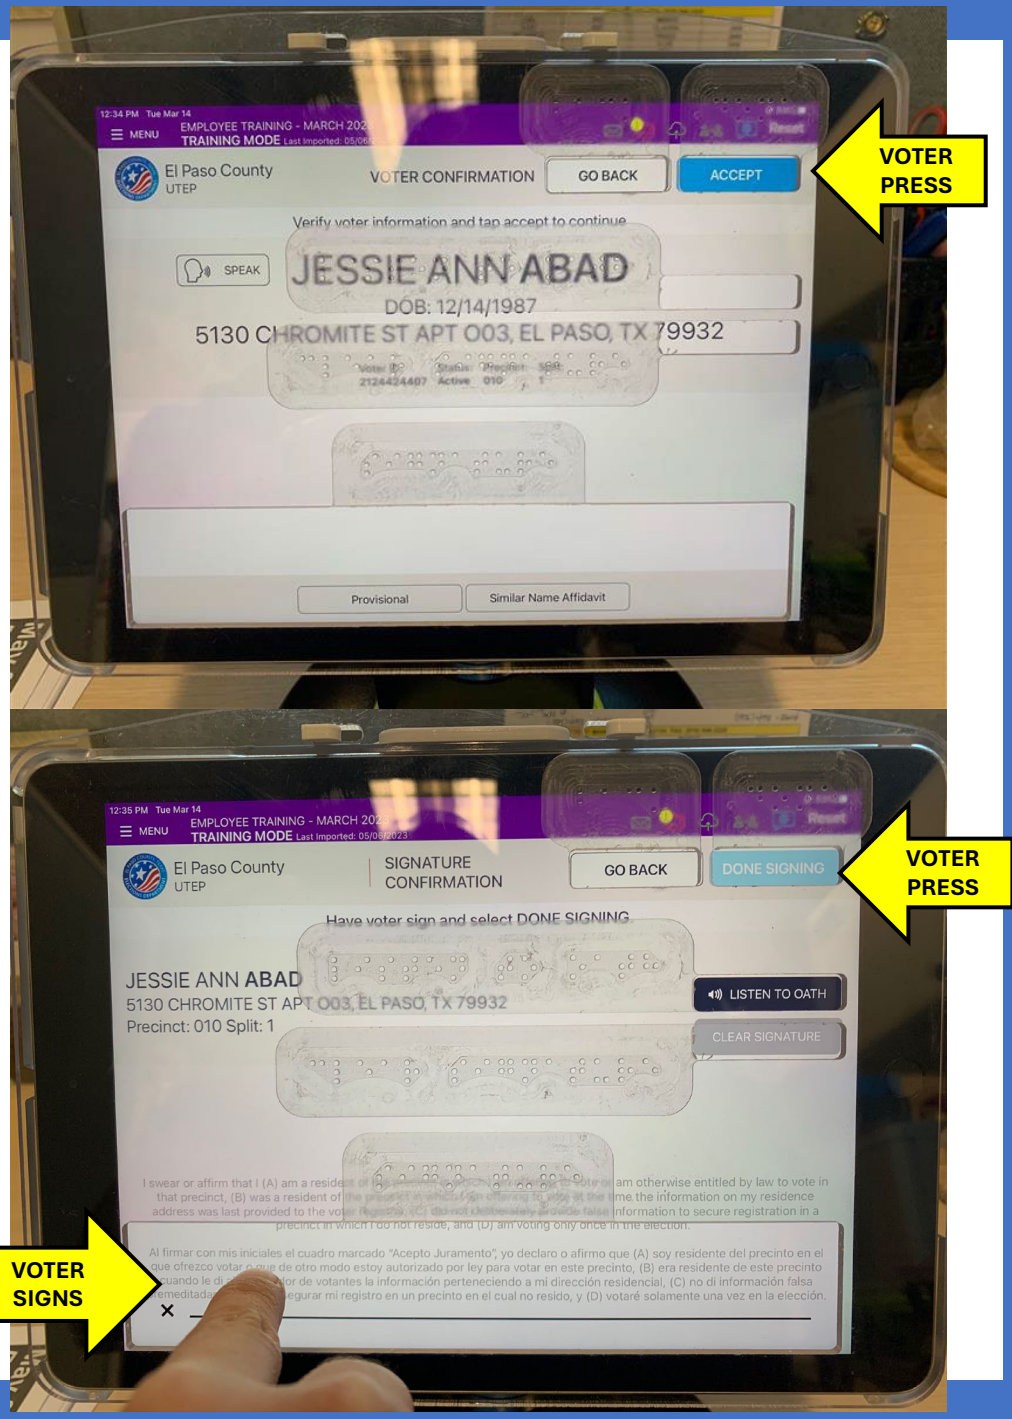

WHAT ABOUT VOTERS WITH DISABILITIES AND TECHNOLOGY?

- Section 1.022 of the Texas Election Code provides that a provision of the Code may not be interpreted to prohibit or limit the right of a qualified individual with a disability to request a reasonable accommodation or modification to any election standard, practice, or procedure mandated by law or rule that the individual is entitled to request under Federal or State law.

- In recent years, advances in technology have allowed cell phones, tablets and other wireless communication devices to assist voters with disabilities. **As an example, a voter may use a program/application on a cell phone to translate verbal communication into sign language, allowing the voter to understand communication by an Election Worker**. While the situation is not expressly addressed in the Election Code, an Election Judge may use their authority to allow a voter utilization of these programs/applications at their discretion.

BRAILLE POLL PAD SCREEN

- Place the Braille Poll Pad Screen when the voter confirmation screen appears.
- This screen provides braille literacy for blind and visually impaired voters.
- Voter will be able to sign at the bottom of the screen once he/she verifies their information.

EXIT POLLING

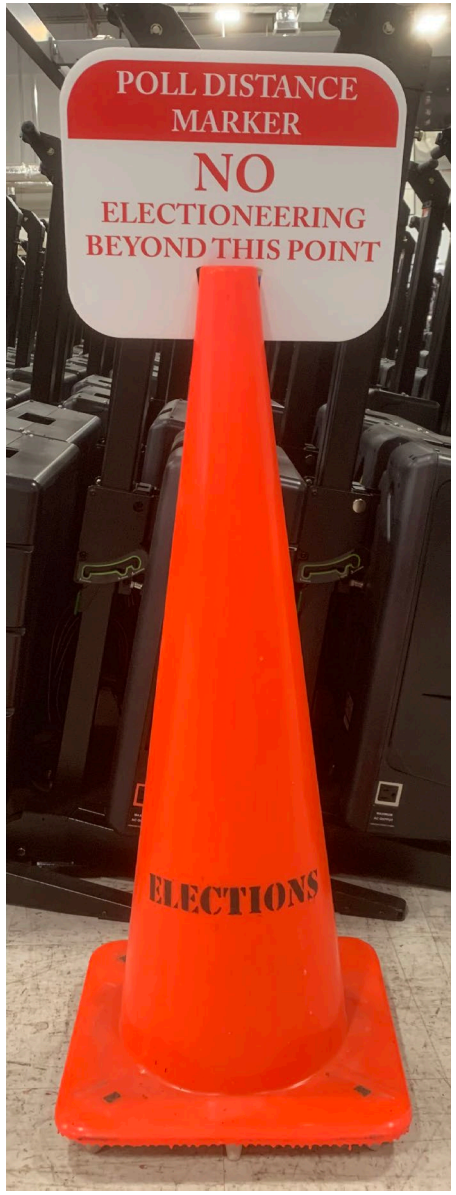

- The Early Voting Judge may allow non-disruptive exit polling within the 100-foot boundaries surrounding the Early Voting Location.
- The Early Voting Judge must determine that such exit polling does not constitute either:
  - "Loitering" in violation of Sec. 61.003(a) of the Code or;
  - A disruption of order or a contribution to a breach of the peace at the Early Voting Location.
- The Early Voting Judge has discretion to tell persons conducting the exit poll to go beyond the distance markers if their activities are disruptive to voters.

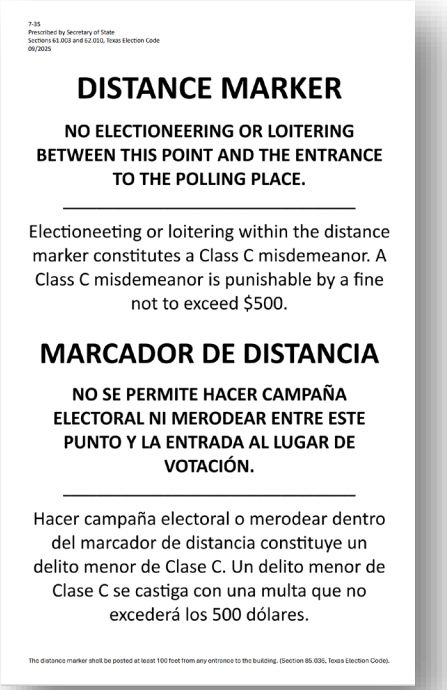

Texas Election Code, Sections 61.003(a) and 32.075

ELECTIONEERING

Also known as **Campaigning**

- Post distance markers 100 ft. in each direction from all entrances through which voters may enter the building in which an Early Voting Location is located (Texas Election Code, Sections 61.003(a) and 62.010(a)).
- It is unlawful for any person to electioneer or loiter within the boundary established by the distance markers. An offense is a Class C misdemeanor (Texas Election Code, Section 61.003).
- Election Workers may not enforce the electioneering or loitering statutes outside the 100 ft. distance marker (Texas Election Code, Section 32.075).
- Each location will be provided with **two large distance marker cones**. You must place them 100 feet from each entrance through which voters may enter the building.

Sections 61.003 and 62.010, Texas Election Code

DISTANCE MARKER

NO ELECTIONEERING OR LOITERING BETWEEN THIS POINT AND THE ENTRANCE TO THE POLLING PLACE.

Electioneeting or loitering within the distance marker constitutes a Class C misdemeanor. A Class C misdemeanor is punishable by a fine not to exceed $500.

MARCADOR DE DISTANCIA

NO SE PERMITE HACER CAMPAÑA ELECTORAL NI MERODEAR ENTRE ESTE PUNTO Y LA ENTRADA AL LUGAR DE VOTACIÓN.

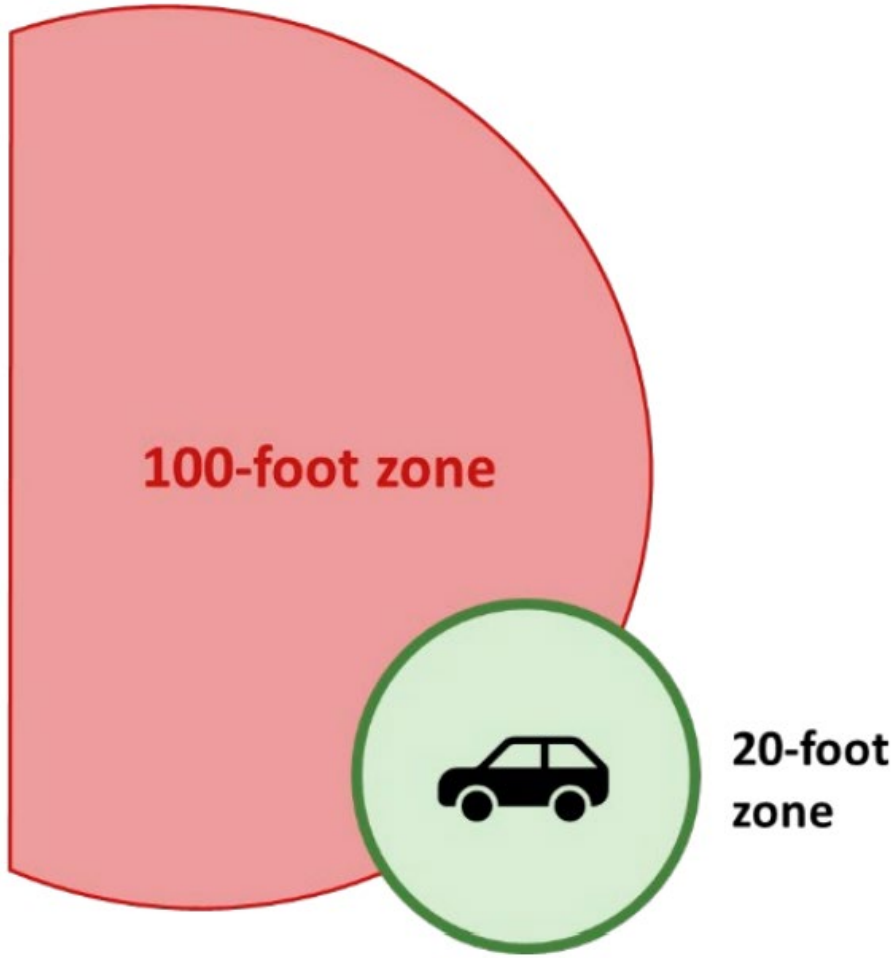

Hacer campaña electoral o merodear dentro del marcador de distancia constituye un delito menor de Clase C. Un delito menor de Clase C se castiga con una multa que no excederá los 500 dólares.

The distance marker shall be posted at least 100 feet from any entrance to the building. (Section 85.036, Texas Election Code).

ELECTIONEERING-CHANGES TO CURBSIDE VOTING

- Section 61.003 of the Texas Election Code has been amended to prohibit an individual from electioneering within 20 feet of a parking space designated for curbside voting.
- The 20-foot distance marker is in addition to the current 100-foot distance marker, meaning that the 100-foot zone still exists around a polling location but could possibly be extended if your designated curbside spot is on the edge of the 100-foot zone.

ELECTIONEERING

- **On September 30, 2021**, the U.S. District Court for the Southern District of Texas issued a final judgement in *Ostrewich v. Hudspeth*, a lawsuit challenging the electioneering provisions in the Texas Election Code, Sections 61.003, 61.010, and 85.036.
- In the *Ostrewich* case, the district court upheld Sec. 61.010 but struck down Secs. 61.003 and 85.036 in the context of voters' apparel during voting as a violation of the First Amendment to the U.S. Constitution.
- **In June 2023**, the Fifth Circuit affirmed the district court's ruling as to Section 61.010 and reversed the portion that struck down Sections 61.003 and 85.036 of the Code. The Supreme Court subsequently denied certiorari. Thus, all three electioneering laws, Sections 61.003, 61.010, and 85.036 of the Texas Election Code, were upheld and remain in force now.
- Each Early Voting Location must be organized with 100-foot distance markers posted at surrounding outside entrances to the building. As a result of the above-referenced litigation, during the voting period and inside this protected area, during Early Voting, it is prohibited to electioneer, including expressing preference for or against any candidate, measure, or political party, **regardless of whether they are or are not on the ballot**, or relating to the conduct of an election.
- Please note that this court decision was addressed in the Election Judge and Clerks Handbook, available in your Early Voting binder.

A watcher may not be denied free movement where election activity is occurring within the location at which the watcher is serving. A watcher who is entitled to "observe" an election activity under the Election Code is entitled to sit or stand near enough to see and hear the activity.
- A watcher may point out to an Election Judge or Clerk any observed irregularity or violation of law. However, if the Clerk refers the watcher to the Early Voting Judge, the watcher may not discuss the matter further with the Clerk unless the Early Voting Judge invites the discussion (Texas Election Code, Section 33.058 (b)).
- The new law amended, Texas Election Code 32.075, to provide that an Early Voting Judge may not have a watcher removed from the voting place for violating a provision of the Election Code or any other provision of law relating to the conduct of elections unless the violation was observed by an Election Judge or Clerk. However, an Early Voting Judge may remove a Poll Watcher for a violation of the Penal Code, regardless of whether the Election Judge or Clerk observed the violation. An Early Voting Judge may call a law enforcement officer to request a Poll Watcher be removed if the Poll Watcher commits a breach of the peace or a violation of law.

STATEMENT OF RESIDENCE

- Also known as a change of address form.
- If a voter moved, he/she will need to complete this form before voting.
- Or if the voter has a "Suspense" notation on the E-Poll Book, he/she must complete this form and give it back to you before voting.
- If voter refuses to complete a Statement of Residence, then he/she can only vote a Provisional ballot.
- All required fields must be complete, signed and dated by the voter.
- If possible, write the voters Voter ID number on top of the form. This will allow our office to access their voter record faster to make the changes. The voter ID can be found on the E-Poll Book during the check-in process.

SIMILAR NAME PROCESS

- If the voter's name on the E-Poll Book is not identical to the voter's name as it appears on the voter's photo ID or supporting form of ID, the Election Worker will determine, under standards adopted by the Secretary of State, if the names are "substantially similar."
- If the names are substantially similar, the voter shall be accepted for voting after he/she places their initials in the similar name box in the E-Poll Book, these procedures are outlined in the Texas Election Code, Section 63.001.
- If the voter would also like to update their name on their voter registration record, they can do so by completing a Statement of Residence form or a Voter Registration Application.

QUALIFYING PROCESS

- Chapter 63 of the Texas Election Code
- Step 1: Identify voter by asking for any of the 7 acceptable forms of photo ID. If the voter fills out a Reasonable Impediment Declaration, ask for the supporting form of ID.
- Step 2: E-Poll Book. Look-up voter with photo ID or supporting form:
  - Voter's name, Date of Birth;
  - Address/Residence (does not have to match from E-Poll Book to acceptable photo ID/supporting form);
  - Any notations.

Note: If acceptable form of photo ID or supporting form does not provide an address, you do not need to ask for a second identification for verification.

QUALIFYING PROCESS

- Step 3: Have you Moved? Election Worker must ask every voter if they still live at the address shown on the E-Poll Book. If address is different offer voter to complete a Statement of Residence.
- Step 4: Voter's Information. Have voter verify his/her information on the E-Poll Book and sign his/her name on the E-Poll Book signature line *(Refer to Poll Pad Training Guide for instructions)*.
- Step 5: Provide Voter with Activation Card to Cast Ballot. Direct voter to Express Vote machine of their choice to mark their activation card. Once card is retrieved and marked, voter must scan marked activation card on the DS200.

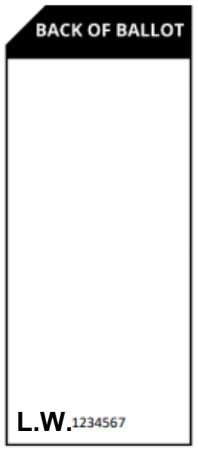

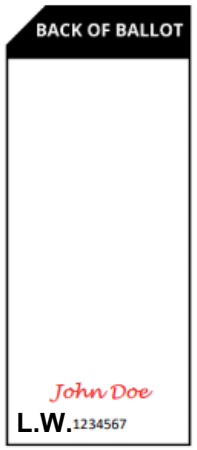

Note: The address on the voter's identification **does not have to match** the voter's registration address. An Election Worker **may not refuse to accept** a voter's identification because the addresses do not match. Doing so is violation of the law!

ACTIVATION CARD

- The Early Voting Clerk's initials (**L.W.**) are pre-printed on the back of each activation card used at the Early Voting Location. The **Early Voting Judge does not need to sign his or her full name on the back of the activation card.**

ELECTION DAY ONLY:

- Before handing the activation card to the voter, the **Presiding Judge must sign his or her full name on the back of the activation card** after it is ejected from the poll pad printer during check-in.
  - An **Alternate Judge** may only sign the activation card if the Presiding Judge is absent or not present at the polling place.
  - **Clerks** cannot sign the Presiding Judge's name.

WHAT IS CURBSIDE VOTING?

If a voter is physically unable to enter your voting place without assistance or likelihood of injury to his or her health, one Election Worker may deliver a ballot to the voter at the entrance or curb of the Early Voting Location (Texas Election Code, Section 64.009(a)).

The voter must be qualified by the Election Worker before the voter can receive the ballot (Texas Election Code, Section 64.009(b) and (c)).

If the voter is not only physically unable to enter the polling place, but is also eligible for voter assistance in marking his/her ballot:

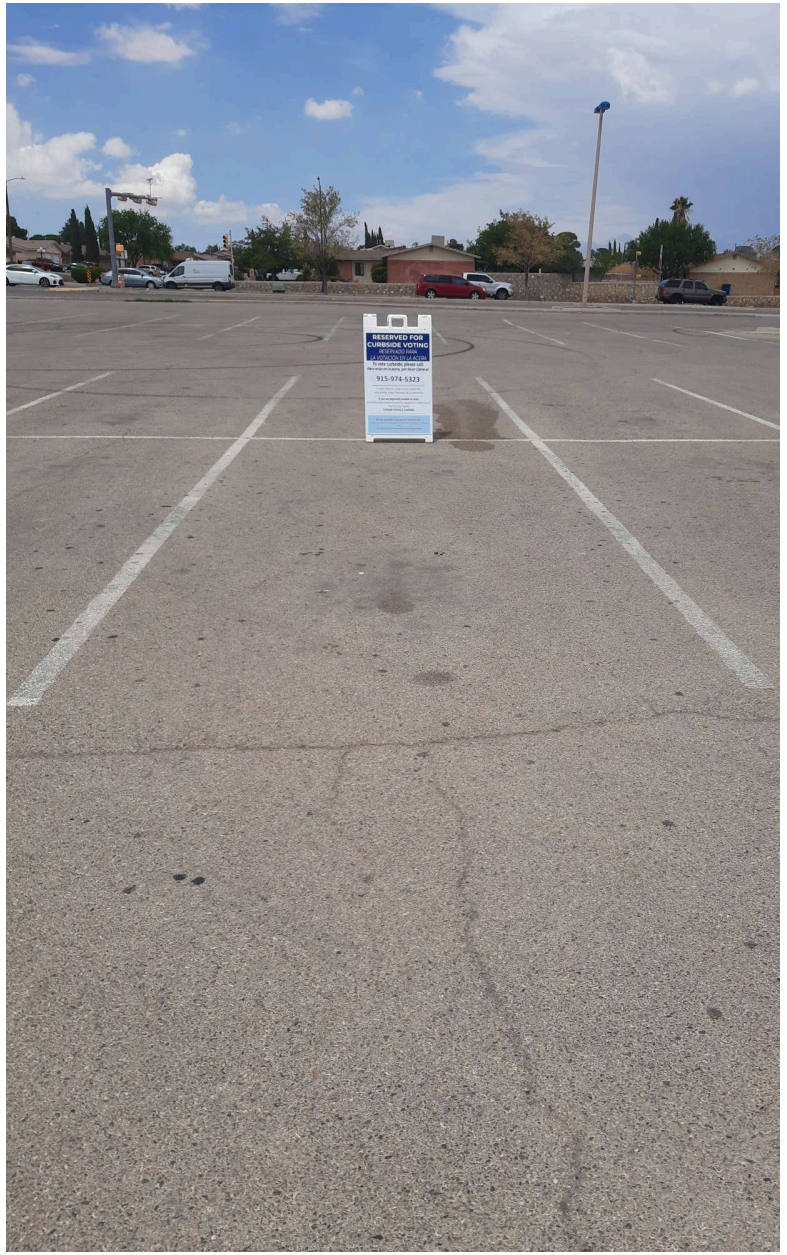

- Two Election Workers may assist the voter (Texas Election Code, Section 64.032(a)) or;
- The voter may be given assistance by a person of the voter's choice, other than the voter's employer or agent of that employer (Texas Election Code, Section 64.032(c); 42 U.S.C.A. 1973aa-6).

You will receive **one A-Frame sign** for your Early Voting Location.

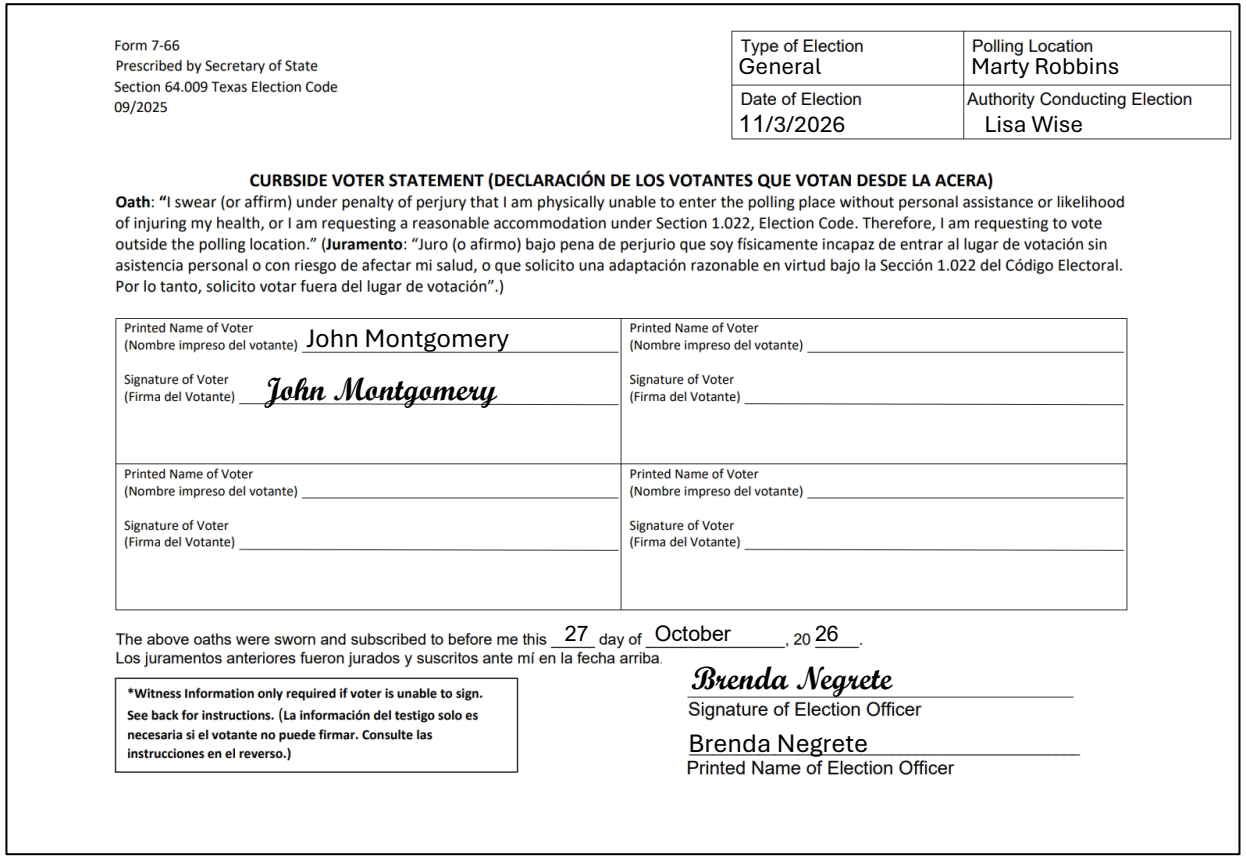

NOTE: NEW LAW: SB 477 (2023, R.S.) amended Section 64.009 of the Code, effective June 18, 2023, requires for a polling place to designate a space for curbside voting. **DO NOT PLACE THE A-FRAME IN AN ADA/ACCESSIBLE PARKING SPACE**. Also, new law states that a voter requesting curbside voting "may call or text to request assistance." The cell phone number displayed on the sign will be answered by an Elections Department staff member that will call your location to provide you with the voter(s) information and vehicle information.

CURBSIDE VOTER

- **You may not question or challenge the voter for voting curbside!**
- Curbside voters **will be checked-in** on the E-Poll Book.
- Curbside voters **will now receive an activation card** during the check-in process.
- Voter will vote on the Curbside Express Vote machine.
- If curbside voter is a provisional voter (not registered to vote, does not have an acceptable form of ID, does not have their mailed ballot) you must provide voter with activation card, secrecy envelope and the Affidavit of Provisional Voter. Deposit the sealed affidavit (containing voted ballot) inside the Provisional Bag.
- Remember, should any questions arise call the Elections Department first!
